The Fédération des clubs de motoneigistes du Québec welcomes the 2020-2021 season with enthusiasm

Terrebonne, October 1st, 2020 - The Fédération des clubs de motoneigistes du Québec (FCMQ) is proud to announce the beginning of its 100% online trail permit sale for a second consecutive year. The goal of this procedure is still to lighten the club volunteers work load and to make the purchase of trail permits faster and more convenient for members. Through this system, volunteers can thus devote the maximum of their time to trail maintenance, a colossal task for volunteers. In addition, online purchases allow snowmobilers to purchase their trail permit seven (7) days a week, 24 hours a day without having to leave home. Snowmobilers can therefore immediately acquire their trail permit with a \$1,000,000 civil liability insurance from Intact Insurance, the official insurer of the FCMQ*.

The current health crisis has forced the FCMQ board of directors to overlook its operations in order to face these unprecedented times. Several establishments and in-trail procedures managed by club volunteers will be overlooked in order to respect Public Health guidelines. Information provided by the government of Quebec, stipulates that we will not be faced with a second COVID-19 related provincial closure, leading the board of directors to see the upcoming season with much enthusiasm, placing aside any potential plan. In the event of regional closures, please be assured that snowmobile member contributions will be used for trail network improvement and maintenance during this time.

A new feature has been implemented this year!

In order to satisfy our customers, we wish to provide a certain latitude when purchasing a daily trail permit. As you know, unforeseen events can compromise your riding date.

The FCMQ has revised its procedures concerning the sale of your daily trail permit.

Therefore, you have up to 72 hours prior to your riding date to make a change. Details at fcmq.qc.ca

Contest - Your best winter purchase

The FCMQ has set up a contest to promote the annual trail permit and to thank the snowmobilers who make their purchases during the pre-sale period from October 15 to November 15, 2020. The participants must go to the Fédération des clubs de motoneigistes du Québec website (www.fcmq.qc.ca) and purchase an annual trail permit or an antique annual trail permit in order to be automatically entered in the contest. Participants have a chance to win one of four (4) prepaid VISA cards, valued at \$1000.00 CDN each. Details at fcmq.qc.ca

The FCMQ interactive trail map

The 2020-2021 interactive trail map is online. We invite you to consult this user-friendly map, and to test the distance calculation tool.

Happy browsing!

The interactive trail map is well supported by Chrome and Edge web browsers. It is always recommended to use the latest versions. Internet Explorer is no longer supported.

Please note, for this season, there will be no printing of the trail map, nor of the services guide. We recommend you consult the web version of the trail map or you may also purchase our iMotoneige application to obtain all of the required information needed for planning your trips.

Thank you for understanding this temporary service interruption.

Online Customer Service

In constant evolution, the FCMQ's website now has a new Online support section to improve the Frequently Asked Questions, also making your research much easier. All of the information needed at your fingertips.

This section will allow you to target specific subjects' categories, thus facilitating your research. If you don't find the information you are looking for, you may also communicate directly with the FCMQ's customer service department via an interactive form system. Simple, fast and efficient!

About the FCMQ

The Fédération des clubs de motoneigistes du Québec, a sectorial tourism association, is a not-for-profit organisation that has been serving its members for more than 45 years. It is dedicated to the development and promotion of safe snowmobiling throughout Quebec. The FCMQ defends the interests of its 198 member clubs and their 100,000 individual members. More than 4,500 volunteers contribute in excess of 800,000 hours annually towards the maintenance of the provincial snowmobile trail network.
